3.10 Lifeline Program

3.10.1 General

- A. Lifeline Assistance is a non-transferable retail service offering for which qualifying low-income subscribers pay reduced charges, as provided for below. Lifeline Assistance enables eligible subscribers to pay reduced charges for voice telephony service that includes the following services: voice-grade access to the public switched network; local usage; access to emergency services; and toll limitation. (C)
- B. The Lifeline credit available to an eligible customer in South Carolina is equal to the total of federal support as established by the Federal Communications Commission and state support as established by the Public Service Commission of South Carolina. The amount of credit will not exceed the charge for local service, which includes the access line, the Subscriber Line Charge and local usage. (C)
- C. The Company shall apply the baseline payments received by the administrator of the federal Lifeline Assistance program to waive the qualifying customer's federal End-User Common Line Charge. The Company shall apply any additional federal support amount to the qualifying customer's basic local exchange service rate. (N)
- D. The Lifeline Program reduction to voice telephony service shall apply only to residential service. Qualifying customers must subscribe to a generally available residential service plan or package that includes voice telephony service that is made available in the Company's service area. (C) (T)
- E. Partial payments that are received from Lifeline customers shall first be applied to voice telephony charges and then to any outstanding charges for additional services. (N)
- F. Nothing in this Section shall prohibit a customer who is otherwise eligible for the Lifeline Program from obtaining and using telecommunications equipment and services designed to aid such customer in utilizing qualifying telecommunications services. (T)
- G. The Lifeline Program rate reduction does not apply to Service Connection Charges. (T)
- H. The Lifeline Program rate will not be available on a retroactive basis. (T)
